JUNE 2017

The Dog Lovers Show..

We had an amazing time at the 2017 Melbourne Dog Lovers Show! It was a massive weekend, with great exhibitors, so much to see, do and learn. It was wonderful to catch up with everyone and meet old and new friends. We hope you had as good a time as we did. Thank you to all our volunteers who helped set up and man the stall. A big thanks to Dilys and Margaret who made the bandanas and doggie jumpers and to Penny for supplying the yummy doggie treats that we sold—they were all a big hit! We are super excited about next year's show and have already signed up for a stall. We can't wait to see you there!

It's Tax Time.. It's nearly the end of the financial year—tax time, the perfect time to make a donation to your favourite charity. Noah's Bark is a 100% volunteer run organisation. We rely on donations to provide quality veterinary care and supplies for our beloved rescue dogs. Your generous donation means we continue to help vulnerable dogs in need of loving homes. Donations of \$2 and above are tax deductible.

Enya, Pearl, Lisbon, Ziggy & Zara, Thistle, Biff, Mia, Chloe, Sylvie and Kikki..

found their perfect forever homes. Thank you to their amazing foster carers and forever families for giving these souls a second chance. They are definitely loved and adored!

Upcoming Events

Keep In Touch

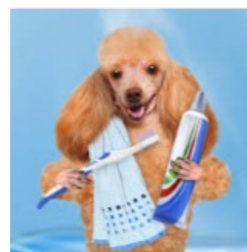

Don't forget to email us your stories and photos. We always love to hear how our four-legged friends are doing.

Please let us know if you would like to receive
our e-newsletters instead of snail mail..... 

Teeth Tips

Bad breath is not just part of being a dog. It may be that your dog's teeth need some attention.

LET THEM CHEW: Chewing is how nature intended your dog to clean their teeth.

FEED GOOD FOOD: Did you know that dogs get cavities just like us? Feed them high quality dry food to help keep their teeth and gums healthy.

BRUSHING YOUR DOGS TEETH: Use a canine dental specific paste which come in yummy flavours. You can either use a soft brush or a rubber finger brush.

Even after following all these tips, if your dog's breath is really bad—check with your vet.

Please accept my kind donation to help Noah's Bark rescue, rehabilitate and rehome our four-legged friends:

noah's bark
dog rescue inc.
www.noahsbark.org.au

- ☐ \$50 will help pay for a vet check
- ☐ \$100 will help pay for a vaccination
- ☐ \$200 will help pay for a dental

My special donation of \$ _____ to help support our four-legged friends.
